## An Interview with Mrs. Shirley by Kara M, Section 46

Hello everyone. I'm here with Mrs. Shirley, the BEST 4<sup>th</sup> grade teacher, and I'm going to be interviewing her. We'll start the questions.

K: So, how much do you love your job?  
S: I feel very lucky to spend my days inspiring young minds.  
K: That's nice, but what's the subject you enjoy teaching the most?  
S: Math, because I like to see the different ways my students find solutions.  
K: I like that. What was the year you enjoyed teaching the most?  
S: I enjoyed every year I taught.  
K: Alright, and how long have you been at our beloved Galatas Elementary?  
S: This is my ninth year at Galatas.  
K: Have you ever taught in a different class, room, grade, or school?  
S: Yes, I taught 2nd grade at Coulson Tough and Kindergarten in Arizona.  
K: Just to get the subject off school, what's your favorite food?  
S: Italian  
K: Oh! I'm Italian! You might not have one, but who's your favorite student?  
S: I do not have a favorite student, because I'm proud of ALL of them.  
Folks, to wrap that up, if you are in Kinder, 1<sup>st</sup>, 2<sup>nd</sup>, or 3<sup>rd</sup>, when you are in 4<sup>th</sup>, I recommend Mrs. Shirley. She is the best teacher EVER!

## The Three Little Aliens by Levi J. Section 13

The three little aliens took Grandpa and threw him out of the sky. And the other aliens caught him. Then they threw him out of the sky again and then the other alien threw him out of the sky again. Then he landed on his feet and he survived. The End.
